

AFYA's

# ADOPT-A-BOX PROGRAM

**Here's a unique way to share good will and good health.**

To celebrate the season and the new year, Afya invites you, your family and your friends to personalize and hand-decorate some of the hundreds of boxes containing medical supplies that Afya ships overseas each month. We'll supply the ribbons and bows – you bring your creativity and desire to have a meaningful impact on global well-being. Imagine the joy you'll bring to the person who opens YOUR box!

**Where:** 510 Nepperhan Avenue, Yonkers, NY

**When:** December 3, 7, 10, 14, 17, 21, 24, 28, 31 from 10am-4pm  
January 4, 7, 11, 14 from 10am-4pm  
(Or, call to schedule your own group visit)

**How:** \$50 tax-deductible donation per box

This is a fabulous opportunity for you, your family and your friends to get together and have fun, as you help us send desperately needed medical and humanitarian supplies to people in developing nations.

**If you don't live nearby...**or if you want to honor a loved one...or if you just want to help out, you can still Adopt-a-Box. Go to the "Donate" page on our website, then email us at [info@afyafoundation.org](mailto:info@afyafoundation.org) and let us know the message or design you'd like to see on your box.

**Questions?** Visit our website at [www.afyafoundation.org](http://www.afyafoundation.org); e-mail us at [info@afyafoundation.org](mailto:info@afyafoundation.org) or call us at 914.338.7034

We can't wait to see you!

**Thank you for helping us to share the gift of good health!**
